No matter where we have been or where we are going, our hearts and minds will always remember this special year. . . . Burger Queen . . . homecoming parade . . . magazine sale . . . speech tournament . . . banquets . . . plays . . . concerts . . . Now the year is only a memory, for we will never pass this way again.

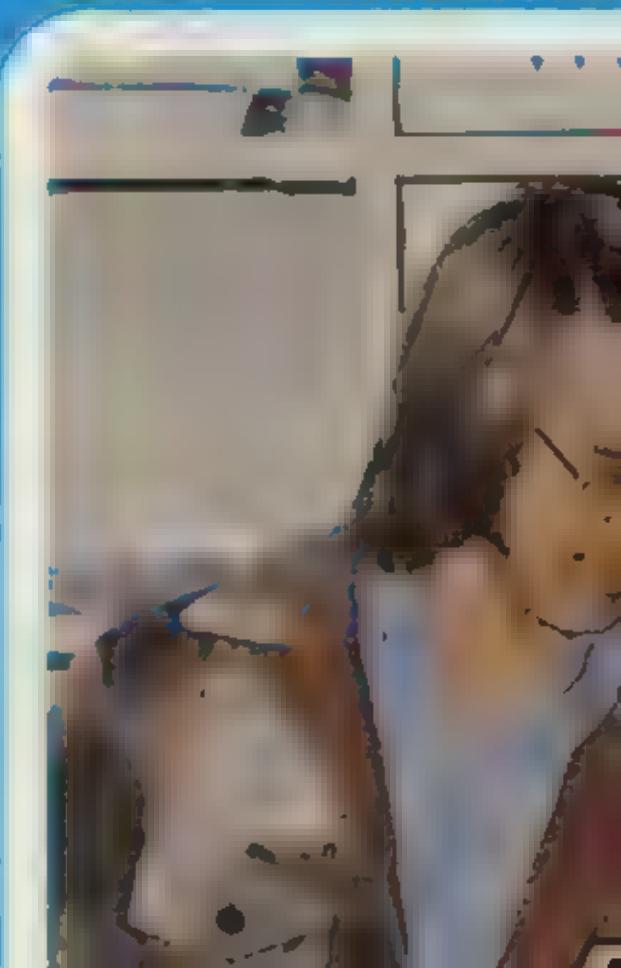

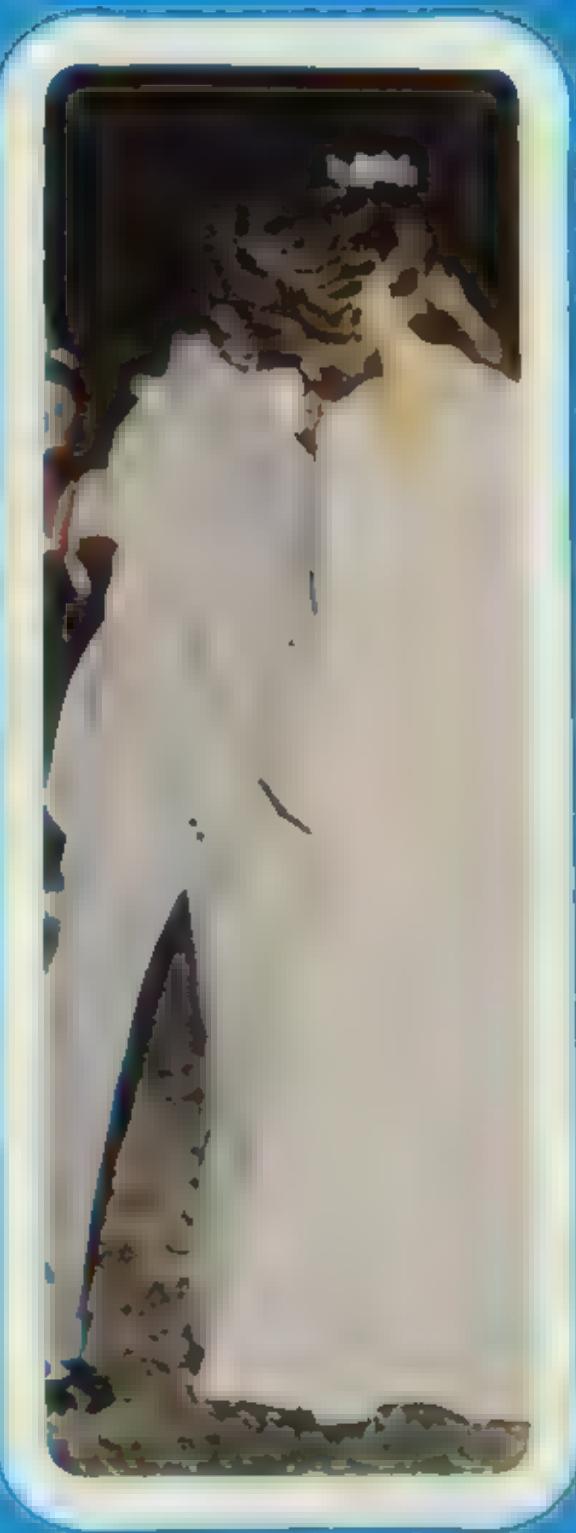

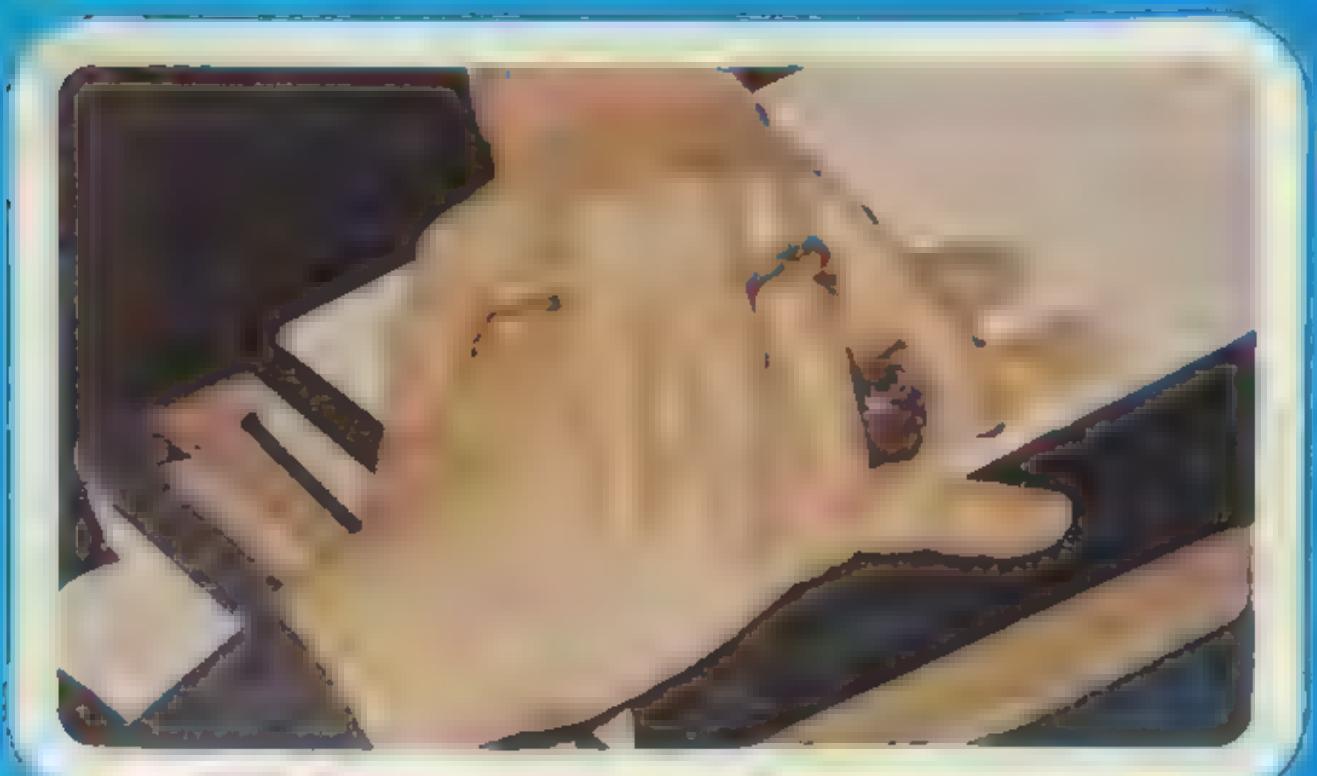

Moments in time, how small they are, can never be replaced by our future experiences . . . college marriage . . . career families . . . Insignificant moments may prove to be the most cherished of our lives.

**PATRICK**

Hours of fateful study will always stay in our minds. Our studies might not seem valuable to us now but our future lives will be spent in remembrance of those hours of study. Our lives will be centered around those studies and the opportunities those studies offer us are only to be seen in the future and never again in the past.

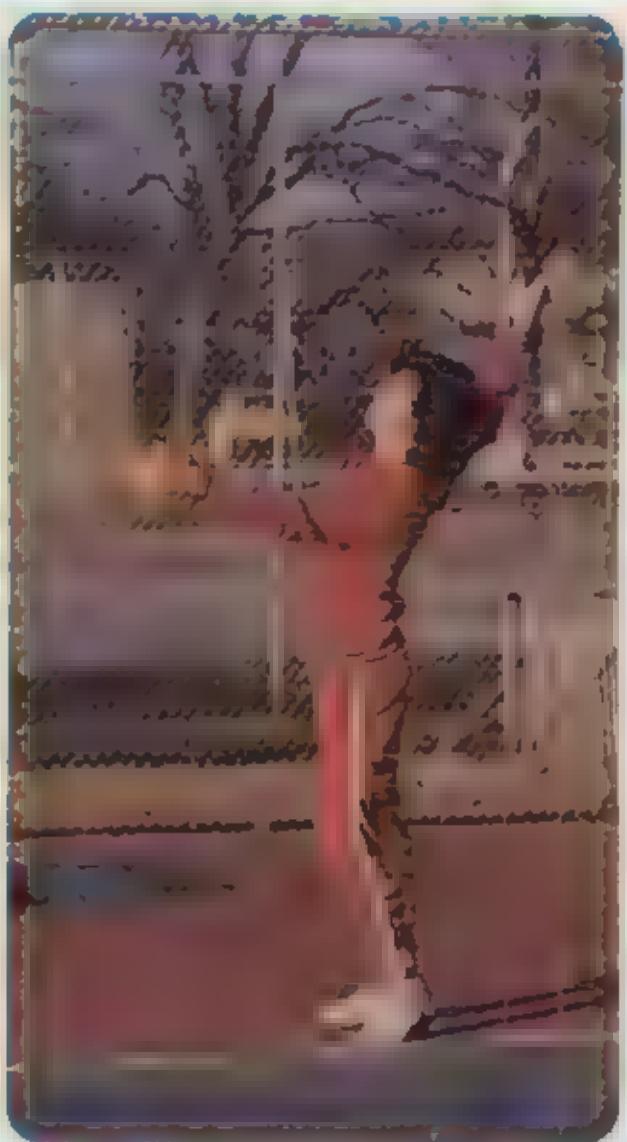

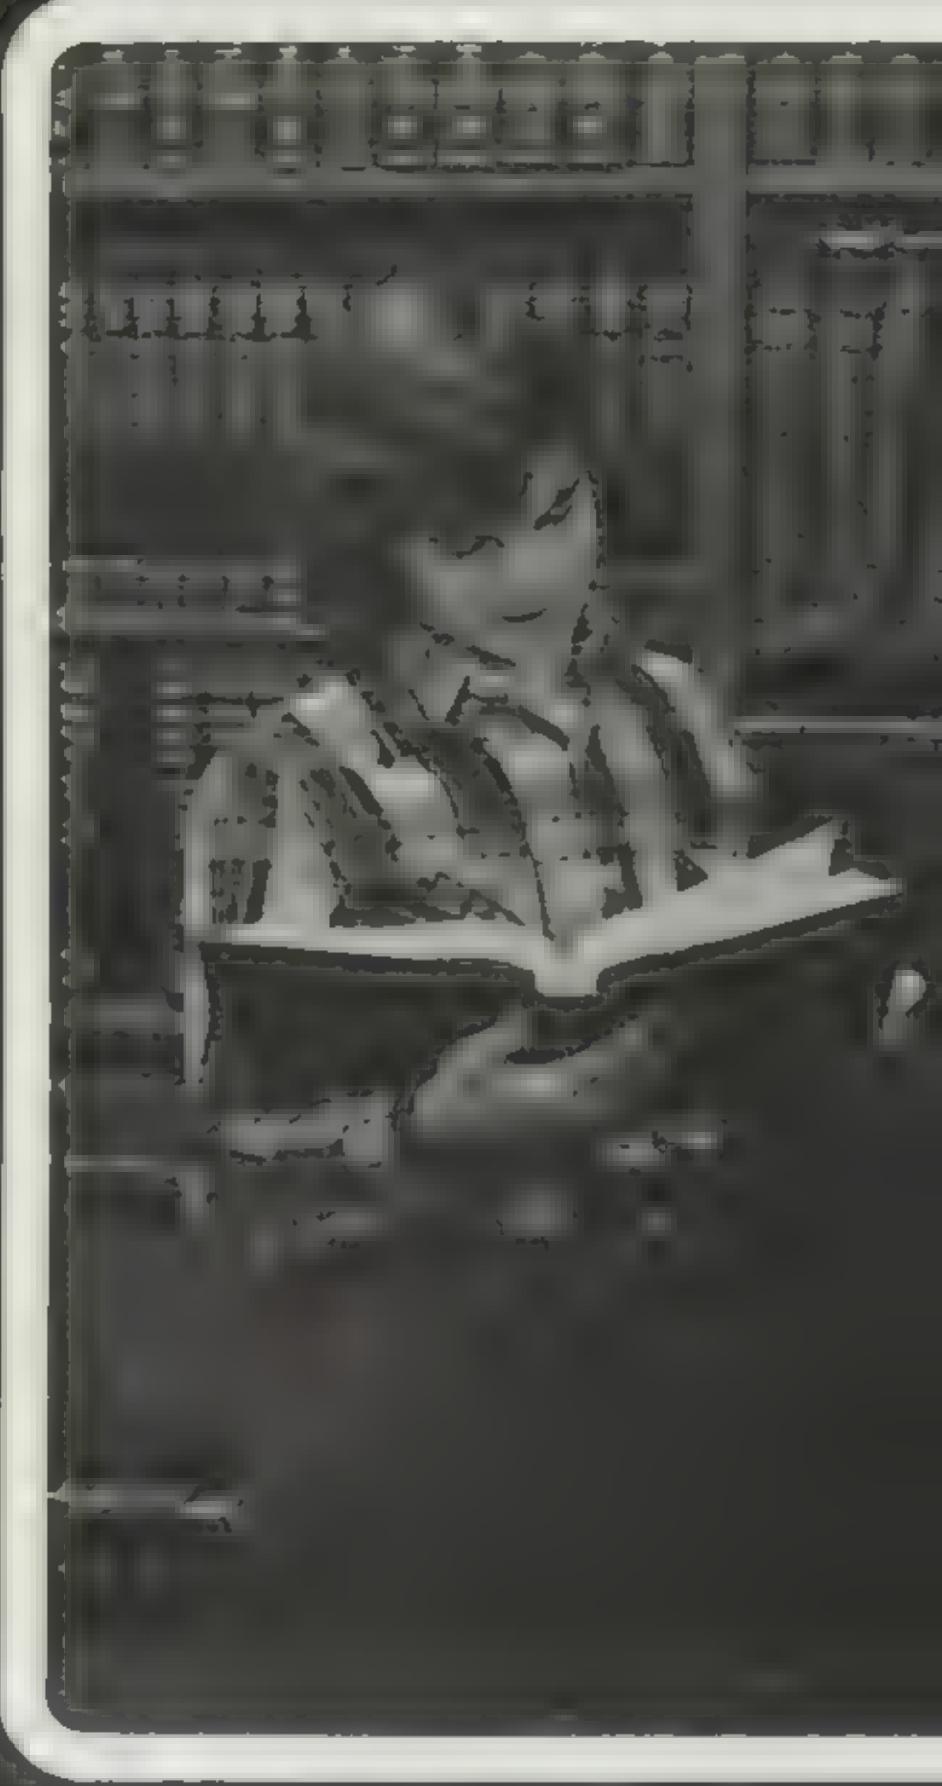

After the classes, tests, and homework, come the pep rallies, football games, basketball games,

these activities even when time could not be found to prepare for a test.

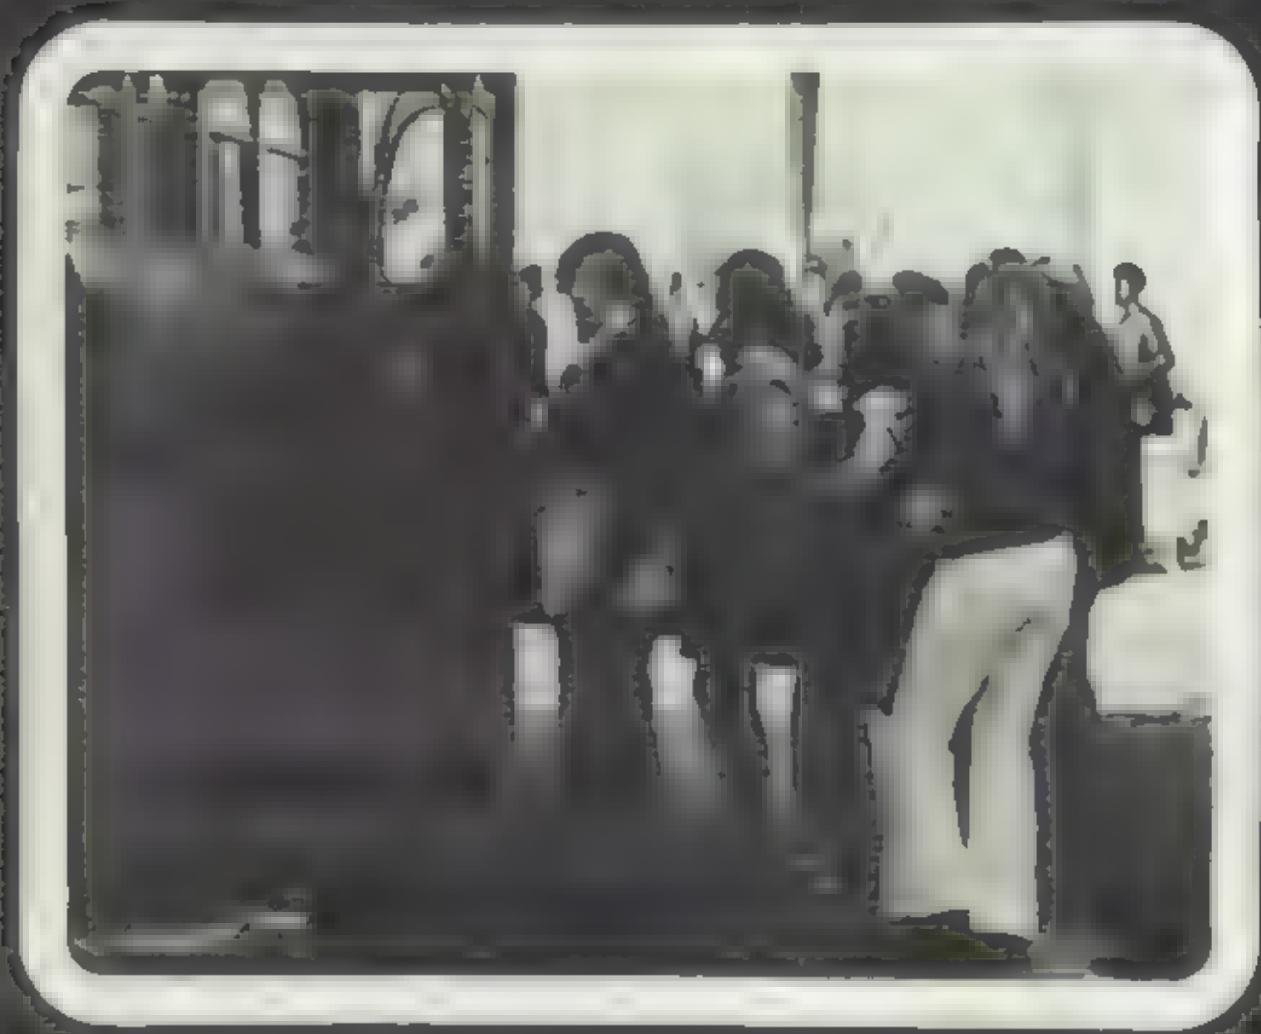

True, lasting friendships require years of work to form. Through the years we have made many friends at Henry County High School. Friends to laugh and to cry with, friends to study with, friendships that will last forever and more. No person can take the place of these friends, but future friendships will be stronger because of them.

Melody Jenkins works hard preparing the music for each concert.

# HCHS Thespians

# Present "Bad Seed"

Much time, effort, and hard work went into the production of the "Bad Seed", this year's Thespian sponsored play. The play is about a little girl, Rhoda, portrayed by Kathy Holden, who constantly murders people - in fact, at the ripe young age of eight has three to her credit. Mrs. Penmark, played by Sonia Muzzall, is very understanding as Rhoda's mother. Death ends the play as Mrs. Penmark decides to take her own life. Rhoda is given a deadly dose of sleeping pills, but is discovered and lives on.

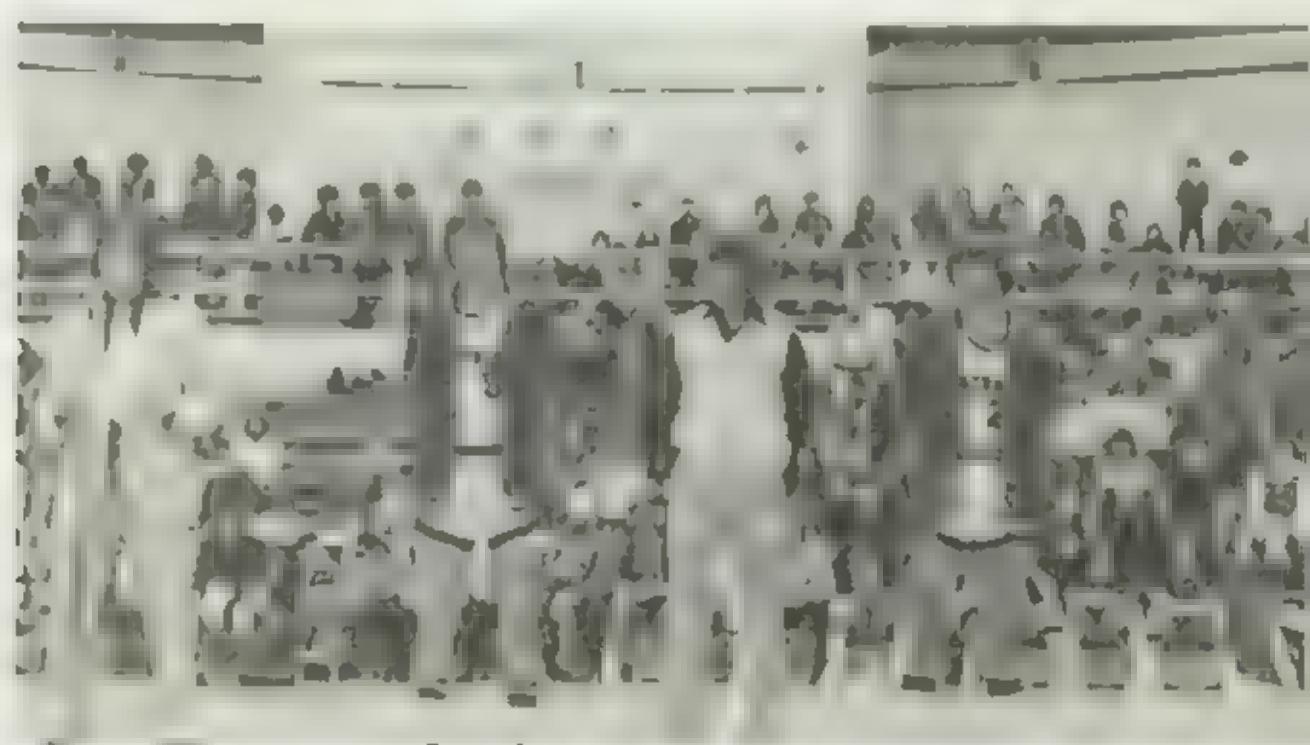

Under the directorship of Mrs. Linda Wilson and her student teacher, Grey Hurt, the play was definitely a success. Keep up the good work, Henry County is sure to have star, yet!

One hundred twenty-three couples dressed in their finest attended the prom. As the music ended and couples made their way home, a person could not help but remember that we will never pass this way again.

EXIT

Because we will walk this way only once, then how important it is that we should walk it with some purpose that we can call our own, for we will never pass this way again.
